

4-Day Nairobi – Masai Mara Group Safari (2026)

(1-night Pride Inn Westland's Nairobi + 2 nights Pride Inn Mara Camp)

Day 1 – Arrival in Nairobi

Arrive at Jomo Kenyatta International Airport and be met by our representative for a private transfer to Pride Inn Westland's. After check-in and a short safari briefing, you can relax at the hotel or explore Nairobi.

What to See:

- Nairobi's leafy Westland's district with its vibrant restaurants and shops.
- Lively Nairobi nightlife and dining scene if you wish to go out.

Overnight at Pride Inn Westland's, Nairobi.

Day 2 – Nairobi to Masai Mara & Afternoon Game Drive

Travel by road through the Great Rift Valley escarpment to reach the world-famous Masai Mara National Reserve. Check into PrideInn Mara Camp and head out for an afternoon game drive.

What to See:

- Panoramic views of the Great Rift Valley with its dramatic cliffs and far-off lakes.
- Vast golden savannah dotted with flat-topped acacia trees.
- Large herds of plains game such as zebra, wildebeest, giraffe, topi and impala.
- Possible sightings of big cats — lions lounging on termite mounds, cheetahs scanning the plains, and leopards resting in fig trees.
- Abundant birdlife, including lilac-breasted rollers, secretary birds and crowned cranes.

Dinner and overnight at Pride Inn Mara Camp.

Day 3 – Full-Day Game Drive & Maasai Village Visit

Spend a full day exploring different parts of the Masai Mara on an extended game drive, with a picnic lunch inside the reserve. In the afternoon visit a Maasai village for a cultural experience before returning to the camp.

What to See:

- Early morning wildlife activity when predators are most active — lions, hyenas, and sometimes a leopard dragging a kill.
- Hippos wallowing in pools, crocodiles sunning themselves along the Mara River, and elephants with their calves.
- The dramatic scenery of rolling hills, winding rivers and endless plains.
- At the Maasai Village: warriors performing traditional dances, manyattas (homesteads) built from mud and sticks, beadwork and handicrafts, and a glimpse into the Maasai's pastoral lifestyle.

Dinner and overnight at PrideInn Mara Camp.

Day 4 – Masai Mara to Nairobi (No Game Drive)

After breakfast, check out and drive back to Nairobi. En route enjoy the beautiful scenery and make brief stops at viewpoints or local markets. On arrival in Nairobi you'll be transferred to the airport for your flight back home.

What to See:

- Changing landscapes as you leave the Mara: savannah giving way to highlands and farmland.
- Scenic escarpments of the Great Rift Valley.
- Roadside markets with colorful handicrafts and curios.

Masai Mara Seasons by Month

Months	Season & What to Expect
January–March	Warm, mostly dry season; grass shorter; great visibility and predator sightings. Many newborn animals.
April–June	Long rains; greener landscapes and fewer tourists. Birdlife excellent. Roads can be muddy but photography stunning.
July–October	Peak season for the Great Wildebeest Migration . Herds cross the Mara River (spectacular but busy with visitors). Dry and sunny.
November–December	Short rains; fresh green plains, dramatic skies and superb birding. Baby animals appear in December.
